About the INSTITUTE

The foundation stone of MIIT was laid on 1st Dec. 2007 under the aegis of M.J. Charitable Trust, established by IITians and renowned industrialist, and managed by experienced professionals. Thus it is unlike other private institution.

MIIT has been setup in Meerut which comes under Delhi NCR. By latest survey report, Meerut is declared as the education hub of North India and the 2nd residential choice in U.P. The institute is situated on national expressway and just 50 km from Delhi. It is well connected by Rail & Road transport, which gives the institute a better edge over other institutions.

The main attraction of MIIT is its huge workshop and labs with all the modern equipments. The institute boosts its strength by practical delivery of the subjects for better learning and understanding of concepts.

MIIT is setup in the beautiful location of lush green fields away from the urban noise and pollution and provides a vibrant & creative environment for conducive studying.

The Vision

To provide Technical & Management education with practical knowledge to the students and to compete on any platform either National or International with the artistic attitude and to justify the name of institute i.e. Meerut International Institute of Technology so that all the Technocrats and Managers would emerge empowered to face the challenges of ever changing society with confidence, courage, conviction and compassion.

The Mission

Besides the academic syllabus provided to each student, the institute also provides workshops, mind orientation, and industrial visit etc. on National and International level, with firm determination and dedication with the help of good administration so that the student may be able to achieve MIT's vision and serve the society.

From the desk of *chairman*

Welcome to a new beginning!

Education plays a vital role in changing lives. Therefore, the choice of an institution is a crucial one impacting the future.

Our unwavering commitment to quality in all aspects of education including infrastructure, academics and administration has won us respect from the corporate world as well.

We give the students support and encouragement they need to reach their full potential and strive to give professional education a new perspective and Achieve perfection in all spheres. We provide a pleasant & intellectually stimulating environment. The main reason for our tremendous performance is the faculty, which makes MIT stand out from the rest of engineering colleges and institutes. We provide exposure to latest and advanced Techniques and system. We gave the world the best we have and the best we can. We present MIT as a modern Gurukul.

We are hopeful that every student will be successful, but remember No Gain without Pain!

Director's *Message*

Stories are everywhere, but there are those, that can rewrite the destiny of a nation. That is why MIT has built 5 pillars of Inclusion- good Infrastructure, Talented Students, Global Education, well equipped Labs & Library with software and Qualitative placements. All of these have helped for inclusive Transformation Happen. We believe in all round development of our Under Graduates & Graduates, so that they can bear the torch of knowledge and serene values to accomplish the holistic mission. Faculties are responsible to shape the future of the nation and are partners to achieve the very objectives of MIT and thus their development lies in the core of our mission. Keeping in view our mission and objectives, we are dedicated to the task of bringing student leaders on a common platform, sensitizing them towards the noble cause of nation building.

PLACEMENT CELL

At MIT we have a well established system of ensuring a smooth transition from the class room to the work place. To enable the students to make the best of the opportunities we provide, students are put through rigorous corporate readiness programmes such as Industry visits, mentorship activity, field research work, corporate interface and faculty monitored corporate internship programs.

The cell has been instrumental in organizing campus/off- campus interviews for third and final year students in various esteemed organizations

Placement process aims to match the requirement of the recruiter and the budding aspirations of the students by under mentioned tasks/ events:

- Personality analysis through personality development programmes
- Gap Identifications
- Personality grooming & skill enhancement
- Role plays/Practice Session
- Mock Interviews
- Pre-placement talk and career counseling
- CV Formation
- Live Projects (Industry requirement oriented)
- Live program(Summer training & Internships)

Swell Technosoft

Soft Skill Development

Soft Skills training is imparted to the students to enhance their personalities, communication & develop confidence to take on competition. MIT prepares students for a dynamic job environment through personality enhancement modules like personal grooming, business etiquettes, and negotiation skills. Get ready for the global corporate world by learning.

Antiragging

Ragging is a cognizable offence as per the ruling of the Hon'ble Supreme Court. Any disorderly conduct whether by word or act with an intent of teasing, constitutes ragging. Students are advised not to indulge in any such activities. A formal FIR can be lodged against the students if found indulging in ragging. The College Disciplinary Committee enforces every strict vigil to prevent any instance of ragging.
